Accreditation Certificate No. 021-PROD

In compliance with the provisions of the Royal Decree of 31 January 2006 setting up BELAC, the Accreditation Board hereby declares to have granted accreditation conform the requirements of the standard EN ISO/IEC 17065:2012 to:

**Belgian Construction Certification Association vzw
B.C.C.A. vzw
Kantersteen 47
1000 Brussel**

The body demonstrated the competence to perform the activities in the activity sites, as described in the scope of accreditation 021-PROD which is an integral part of the present certificate.

The current version of the scope of accreditation is available at www.belac.be.

This certificate remains valid as long as the body continues to meet the accreditation conditions.

The Chair of the Accreditation Board BELAC,

Maureen LOGGHE

Version : 9

Validity period : 2022-08-25 - 2024-05-24

Original version of this certificate is in Dutch.

CE-markering Certificatie volgens het Algemeen Reglement voor de certificatie van Producten en Productiecontrolesystemen (ARCP) van BCCA en het Bijzonder Reglement voor de certificatie van Producten en van Productiecontrolesystemen in het kader van de Verordening (EU) N° 305/2011.(BRCP-CE)
